

■ Assembling of AD75P□-S3 side connector

Since the AD75P□-S3 and A1SD75P□-S3 are opposite in connector orientation, the AD75P side connector cover is not fitted.

Fit the connector cover according to the module used so that the cable comes out of the connector bottom.

The following shows the connector orientations of the AD75P□-S3 and A1SD75P□-S3.
